

## 2022 Medallion Club Year-End Report - December

The Medallion Club report is produced quarterly until the fourth quarter when it is produced monthly and posted on [www.rebgv.ca](http://www.rebgv.ca) under the Medallion Club home page. To monitor your own personal production anytime, you can log on to [www.rebgv.ca](http://www.rebgv.ca) for your current status on My Profile/My Medallion Points.

We receive many calls from members inquiring about the Medallion Club qualifications. The qualifications are outlined in the Medallion Club Policies found on [www.rebgv.ca](http://www.rebgv.ca) under the Medallion Club home page.

The Medallion Club qualification cut off for each year is only posted once the year has ended and the final report is published in January.

The Medallion Club program is based on top 10% and top 1% and advertising can only be based off of those two benchmarks when referring to this program.
